## St Thomas More

### Catholic School & Sixth Form College

---

November 2021

Dear parents and carers,

As you are aware the Holy Spirit Experience sets out a series of commitments that we provide for all students at St Thomas More, under the following categories; Catholic Life, Charities and Social Action, The Residential Experience, Sporting Opportunities, Cultural and Creative Experiences and Vocations, Journeys and Destinations.

To view the full range of commitments, you can click the link below:

You will see that one of our commitments is for students to enjoy a residential experience. Sadly, COVID-19 prevented us from being able to fulfil this commitment last year, and is continuing to limit what we are able to achieve this year. We acknowledge students have missed out on these important opportunities that often provide life-long memories and a more enhanced school experience. As such, we wanted to reassure you and give our students something to look forward to.

We are currently working hard to ensure every year group has a fun residential activity to look forward to in the summer term. Each Head of Year is currently busy exploring various ideas and starting to plan a year group trip. Each trip will be based in the UK and could involve an overnight stay.

Heads of Year will be in touch in the new year with details about the proposed year group trip.

Kind regards,

*Mrs L Thomas*
